PAINTBALL
FIELDN - TARGET RANGE - PRO SHOP

ARE YOU READY FOR AN ADVENTURE?

Get ready for an experience that you will never forget, because paintball is an adventure.

Paintball is a mix of capture-the-flag and chess played between two teams. Each team attempts to capture the opposing team's flag, while avoiding being tagged with a "splat" of washable paint. Games are played on specially designed fields with natural terrain, man-made bunkers, barricades, obstacles, buildings and compounds.

Paintball is extremely fun! Plan to wear appropriate clothes. You will be sneaking through the woods, crawling around the field and getting dirty. Wear sneakers or hiking boots and a couple of layers if possible. Baggy clothes are best! Long-sleeve shirt, full-length pants, gloves and neck protector are recommended.

Players must be at least 8 years old and have a signed waiver from their parent or guardian in order to play. Gear-Up Paintball is staffed by experienced paintball players and trained staff that are available to provide you a safe, fun day of paintball. Players that don't have their own equipment, will be provided with a Paintball Gun and Mask. All players will receive a safety briefing and are asked to observe all rules and follow all directions from the Gear-Up staff.

If you have any questions, or would like to complete the waiver in advance, please visit Gear-UpPaintball.com
